

## **EPCC / ECB COVID-19 Protocols**

- Do a personal symptom check prior to all cricket activity and do not take part if you demonstrate any COVID-19 symptoms.
- Come to the ground by your own transportation, if possible
- Come to ground changed. No use of dressing rooms.
- No more than 30 people at a fixture, including players, spectators, scorers, umpires
- Clubs should keep a record of attendees at a match/session, including contact details, to support NHS Test and Trace.
- No teas provided by clubs. Bring your own food and drink.
- Practice good hand hygiene. Use hand sanitiser regularly.
- Limit the sharing of equipment where possible. Where not possible, practice strict hand hygiene.
- During play there should be a hygiene break every six overs for players' hands and the ball.
- Do not give anything to the umpires, including the ball, at any point during the game.
- Umpires to be the only ones who touch the bails at their end of the wicket
- Players should remain socially distanced at all times (wicketkeepers and slip fielders at 1m+)
- Players should minimise handling of the ball in all activity, by limiting contact as it makes its way back to the bowler.
- No sweat or saliva should be added to the ball at any time.
- No spitting.
- Batters to run in distinct running lanes to ensure they are not within 2m of the bowler or their batting partner.
